

## November 28, 2017 #NYGIVESDAY

**Giving Tuesday** is a global day of giving that harnesses the collective power of a unique blend of partners—charities, families, businesses, and individuals—to encourage philanthropy and to celebrate generosity worldwide. #GivingTuesday is held annually on the Tuesday after Thanksgiving, this year, November 28, 2017, to kick off the holiday giving season and to inspire people to take collaborative action to improve their local communities and to give back in better, smarter ways to the charities and causes they support.

**At SANYS**, we believe in the power of people, all people!! We believe that people with disabilities have a voice and should have choices. We support people with significant disabilities to speak up for themselves and others, regardless of ability.

**You can** help someone speak up, by making a donation to the Self Advocacy Association of New York State or sharing our link on Facebook.
